

# (Senior) .NET Developer (w/m/d)

Katowice (Tychy)

Full time

ASAP

Permanent

We are a well-financed start-up with senior founders solving a problem of process and automation discovery we experienced in our daily consulting work. We are using state of the art technologies including artificial intelligence to show results and solutions not known in the industry until now. Our motivated team is constantly growing. We are currently looking for hands-on colleagues joining our exciting endeavor! Our teams are located in exciting office locations in Cologne and Katowice.

## Your Tasks

- o Participate in planning and setting goals
- o Be involved in high-level design as well as defining requirements for new features
- o Implement solutions for our set of projects ecosystem
- o Participate in .NET technology
- o Work with .NET technology stack: Autofac (IoC), UIAutomation (MS Office, Chrome), NUnit, WMI, Cake, NSIS, StyleCop, OMQ
- o Work with JVM-based stack: Java 11, Spring Boot, Spring Integration, WebSocket, OMQ, REST
- o Take care of any aspects in an Automated Build System - based on TeamCity
- o Be strongly involved in our development process - Scrum stories, Merge Requests, CI/CD, Pair Programming, Clean Code
- o Implement challenging tasks in the area of fast data processing

## Your Profile

- o Good knowledge .NET (Java welcome)
- o Positive attitude with a grounded team spirit.
- o Min. 2 years of experience in software development
- o A pragmatic approach to SOLID and OOP concepts
- o Good knowledge of building multithreaded and distributed systems
- o Strong focus on tests - TDD (Test Driven Development)
- o Proficiency in C# 7/8, REST, Git,
- o Experience in building the architecture of a .NET system - taking care of good components separation and clear boundaries. Being aware of SOLID concepts on architecture level.
- o Java 8 or 11 practical knowledge
- o C++ skills would be beneficial
- o Effective communication skills in English

## We offer

- o Real impact in creating a system
- o Be part of a strong team with a professional approach which shares the knowledge and solves problems together
- o Modern system to support with daily bug fixing - as a pioneer we are creating a cutting edge solution
- o An office in Tychy – near by Katowice
- o Start-up flair paired with professional group experience
